Bring Your Wife to Work: Blackmailed and Cuckolded by the Boss By Kayla Cummings

Normally Brooke Weston wouldn't have even thought to come into work on a Saturday, much less her husband's workplace, but in an effort to spice things up with her husband Perry, they find themselves alone in his empty office building with nothing but time and each other. Their love life is unsatisfying to say the least and it's a last ditch effort to reconnect.

What they don't know is that Perry's boss Max Stone is also working hard this Saturday. After Max catches the couple getting frisky in the workplace, it's up to Brooke to **smooth things over with the boss** and make sure her husband doesn't lose his job! While Perry watches **humiliated**, Brooke discovers that her husband's boss Max has the **extra** special spark that has been missing from her sex life.

As far as Perry, if he's lucky, he can **clean up** after his better endowed boss takes Brooke again and again!

This 6,000+ word story features cuckolding, humiliation, and an alpha male boss taking what he wants and is intended for mature readers only.
