Editorial Review

From Publishers Weekly

Parents and teachers join with teen voices in *Chicken Soup for the Teenage Soul Letters: Letters of Life, Love and Learning* edited by Jack Canfield, Mark Victor Hansen and Kimberly Kirberger. The authors of *Chicken Soup for the Teenage Soul*, after receiving so many thank-you letters in response to the book, decided to compile many of them here. The letters begin with gratitude, but often wind up as a tool for sharing experiences, whether those of a teacher in a juvenile detention center, a 15-year-old struggling with cystic fibrosis or a vice principal of a high school who discusses a theft and the power of forgiveness.

From School Library Journal

Grade 7 Up-The contributors range from young teens to college students to professional writers, which is only clear from scanning the "Contributors" list at the end of the book. About two-thirds of the book is what readers might expect from the title: letters that mainly say thank you and others that include personal narratives prompted by "Chicken Soup" stories. Without showing any disrespect to the teens who had the courage to share their experiences, a few of these letters go a long way. The best writing makes up about a third of the book-stories and poems that are interesting, inspirational, and well written, and appear to be submissions in their own right. Buy where "Chicken Soup" products are extremely popular.
