### Dick Slays the Dragons (An Avery Dick Adventure Story Book 5) By Avery Dick

Sometimes those who protect and serve their nation are confronted with the most despicable acts imaginable. That's the sordid story in Dick Slays the Dragons. A conspiracy by cynical, disloyal individuals working in and outside of the U.S. Department of State who threatened to upset the fragile balance of military power in the Far East and trigger a nuclear conflict that America couldn't avoid because an important ally's very survival was at stake. The purported suicide of a young Diplomatic Security Service agent in Main State sets in motion a series of events that culminate in a national crisis.
