El síndrome de Jerusalén (Spanish Edition) By Juan Bolea

Cuando el detective Florián Falomir es contratado para esclarecer el robo de una talla de la virgen que aparentemente no tiene ningún valor especial, no puede imaginar hasta qué punto se van a complicar las cosas. Pronto se verá envuelto en una trama vertiginosa cuya clave podría estar en los misteriosos sucesos de años atrás, cuando tres niños realizaron una serie de supuestos milagros tras una aparición mariana.

Las pistas conducirán a Falomir –un inolvidable investigador de origen armenio que merece un puesto de honor en el actual panorama del género negro- hasta la ciudad de Jerusalén, donde entrará en acción la inspectora Martina de Santo, el personaje fetiche de Juan Bolea.

Una novela de intriga llena de sorpresas y giros inesperados en la que no faltan los toques de humor -blanco y negro- y un final extraordinario, a la altura de la originalidad del argumento.

Editorial Review

Users Review

From reader reviews:

Katie Doll:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite reserve and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the e-book entitled El síndrome de Jerusalén (Spanish Edition). Try to the actual book El síndrome de Jerusalén (Spanish Edition) as your buddy. It means that it can for being your friend when you truly feel alone and beside regarding course make you smarter than previously. Yeah, it is very fortunated for yourself. The book makes you much more confidence because you can know anything by the book. So , let's make new experience in addition to knowledge with this book.

Brent Abramson:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book El síndrome de Jerusalén (Spanish Edition). All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Susan Martinez:

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want drive more knowledge just go with knowledge books but if you want feel happy read one having theme for entertaining including comic or novel. The actual El síndrome de Jerusalén (Spanish Edition) is kind of e-book which is giving the reader unforeseen experience.

Valerie Herrera:

Precisely why? Because this El síndrome de Jerusalén (Spanish Edition) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will shock you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical

thinking approach. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.
