### Kierkegaard's Writings, IX, Volume 9: Prefaces: Writing Sampler: Prefaces: Writing Sampler By Søren Kierkegaard

*Prefaces* was the last of four books by Søren Kierkegaard to appear within two weeks in June 1844. *Three Upbuilding Discourses* and *Philosophical Fragments* were published first, followed by *The Concept of Anxiety* and its companion--published on the same day--the comically ironic *Prefaces*. Presented as a set of prefaces without a book to follow, this work is a satire on literary life in nineteenth-century Copenhagen, a lampoon of Danish Hegelianism, and a prefiguring of Kierkegaard's final collision with Danish Christendom.

Shortly after publishing *Prefaces*, Kierkegaard began to prepare *Writing Sampler* as a sequel. *Writing Sampler* considers the same themes taken up in *Prefaces* but in yet a more ironical and satirical vein. Although *Writing Sampler* remained unpublished during his lifetime, it is presented here as Kierkegaard originally envisioned it, in the company of *Prefaces*.

### Editorial Review

Review

"These new translations are excellent."--*Choice*

"The definitive edition of the *Writings*. The first volume . . . indicates the scholarly value of the entire series: an introduction setting the work in the context of Kierkegaard's development; a remarkably clear translation; and concluding sections of intelligent notes."--*Library Journal*

Language Notes

Text: English (translation)

Original Language: Danish

### Users Review

**From reader reviews:**

**Gerald Hackler:**
