"Luke: Complete Series was the best book I have read since 50 Shades exploded on the scene."

She can't allow that. She won't allow that. But can she really resist the charms of the hottest tech billionaire in America? Or will her feelings for Luke be her ultimate downfall?

Editorial Review

Review

It's really a tragic story and I'm amazed at how well Leo captures the story in such short novellas...I mean, really amazed - the woman has mad skills.

-Scandalicious Book Reviews

The ending was simply amazing and will warm your heart and leave you smiling. The story flowed very nicely and it is one of the books you can't put down. You will find yourself rooting for Brina and Luke to work and find the happiness with each other that they deserved.
