### **Editorial Review**

#### Review

"As the editor notes in the preface, although one could write an entire book on each of the topics covered in this book, this is an excellent comprehensive overview of the broad field of physical medicine and rehabilitation. I would highly recommend this for anyone practicing physical medicine and rehabilitation. As a resident building my foundation of knowledge, I found the book easy to read while providing a sufficient overview of the topics." - Samman Shahpar, MD(Rehabilitation Institute of Chicago), Excerpts from Doody's review service, Rating – 4 stars!
