The Empty Ones: A Novel (The Vicious Circuit) By Robert Brockway

Following on the heels of Robert Brockway's comedic horror novel *The Unnoticeables*, *The Empty Ones* reveals the next chapter in the lives of a few misfits attempting to fight back against the mysterious Unnoticeables.

The Empty Ones follows Carey and Randall to London where they go to rescue Gus and fight more of these mysterious angel-like creatures, and stumble on a powerful and unexpected ally. Meanwhile, Kaitlyn, who was very nearly beat when last we saw her, continues her fight into the desert of Mexico and the Southwest US, seeking the mysterious gear cult. Once there, she discovers what the gear cult is really up to: trying to 'pin' the angels to Earth, focus their attention here, and get as much of humanity as possible "solved"--which, in their minds, is akin to being *saved*--and in the process discovers something incredible about herself.

With a snarled lip, *The Empty Ones* incorporates everything that made *The Unnoticeables* incredible, but like any good punk band, when you don't think they can get any louder, they somehow turn it up a notch. It's terrifying and hilarious, visceral and insane, chaotic and beautiful.

The Vicious Circuit Trilogy

The Unnoticeables

The Empty Ones

Kill All Angels

Editorial Review

Review

Praise for *The Empty Ones*:

“[R]eads like a collaboration by Hunter S. Thompson, the Sex Pistols, and H.P. Lovecraft . . . ‘mostly bravado, lies, and perversion,’ which perfectly sums up the gutter-dwelling vibe of this novel.” ?*Publisher’s Weekly*

Praise for *The Unnoticeables*

“*The Unnoticeables* is pure science fiction horror lurking behind the wry smile of a punk rocker in beer-stained blue jeans. Brockway writes confidently and with an utterly original voice, delivering a rude, smart, and at times terrifying story that I guarantee you’ve never seen before.” ?Daniel H. Wilson, *New York Times* bestselling author of *Robocalypse*

“Deliriously unhinged in the best way possible. Fantasy that is fast, funny, and downright freaky.” ?Chuck Wendig, bestselling author of *Blackbirds*

“A visceral blend of brutality and cunning: bloody, innovative, and wildly compelling.” ?Cherie Priest, bestselling author of *Maplecroft*

“Brings [Cracked]’s legendarily irreverent wit to this raunchy, rollicking tale of punk rock, gruesome horror and pop-culture satire.” ?NPR

“Like Hunter S. Thompson went drinking with Stephen King.” ?*Publishers Weekly*

“A nasty, freaky, and haphazardly funny horror story.” ?Kirkus Reviews

About the Author

Robert Brockway is a Senior Editor and columnist for Cracked.com. He lives in Portland, Oregon, with his wife Meagan and their two dogs, Detectives Martin Riggs and Roger Murtaugh. He has been known, on occasion, to have a beard. He is the author of *Everything is Going to Kill Everybody*, *The Empty Ones*, and *The Unnoticeables*.

Users Review
