Basketball Coaching: Putting Theory into Practice By Alexandru Radu

Success in basketball comes from a player's ability to consistently execute the fundamental skills of the game and also from the coach's ability to coach and incorporate these skills into their training programmes. Basketball Coaching is a vital resource for current and aspiring coaches, covering the essential skills needed to successfully coach and develop players. The book provides guidance on skills and techniques training, tactical training and physical and psychological preparation for each individual position. It also covers elite level coaching skills, such as performance analysis and talent identification, which can be used at all levels of the game. The book also uniquely discusses the place of coaching within the context of the organizational structures involved in managing the sport of basketball at National, European and International level. The book is illustrated throughout with diagrams to explain all drills. Comprehensive and accessible, this book is the ideal tool for coaches wanting to develop a better understanding of this dynamic sport and how to coach it effectively.

Users Review

From reader reviews:

Carlos Garcia:

The book Basketball Coaching: Putting Theory into Practice make one feel enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can to get your best friend when you getting pressure or having big problem with your subject. If you can make studying a book Basketball Coaching: Putting Theory into Practice to get your habit, you can get considerably more advantages, like add your own capable, increase your knowledge about some or all subjects. You can know everything if you like open and read a reserve Basketball Coaching: Putting Theory into Practice. Kinds of book are several. It means that, science publication or encyclopedia or others. So , how do you think about this publication?

Dollie Simmons:

Do you considered one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys this particular aren't like that. This Basketball Coaching: Putting Theory into Practice book is readable by means of you who hate the perfect word style. You will find the information here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to give to you. The writer connected with Basketball Coaching: Putting Theory into Practice content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the information but it just different available as it. So , do you nevertheless thinking Basketball Coaching: Putting Theory into Practice is not loveable to be your top list reading book?

Tabitha Devore:

Precisely why? Because this Basketball Coaching: Putting Theory into Practice is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.

Claudette Everett:

This Basketball Coaching: Putting Theory into Practice is great reserve for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great coordinate word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with beautiful delivering sentences. Having Basketball Coaching: Putting Theory into Practice in your hand like finding the world in your arm, facts in it is not ridiculous a single. We can say that no e-book that offer you world throughout ten or fifteen small right but this guide already do that. So , this is certainly good reading book. Hello Mr. and Mrs. hectic do you still doubt that will?
