Now, in *Coaching Wrestling Successfully*, Gable presents the blueprint to becoming a wrestling champion. He covers every facet of his formula for success-a guiding philosophy, proven motivational tools, guidelines for proper nutrition and weight control, daily and year-round practice plans, effective instructional methods, correct wrestling technique, and winning match strategies.

Athletes will benefit from the folkstyle, freestyle, and Greco-Roman moves and drills. Wrestling fans will enjoy the stories involving Gable and many of the greatest names in the sport. And every reader will marvel at how the master of motivation pushed himself and his wrestlers beyond their perceived potential.

Gable made sure that *Coaching Wrestling Successfully* achieved the same standard of excellence that he demanded of himself as a wrestler and a coach. The result is a championship effort, full of lessons from the legend, from cover to cover.
