Editorial Review

About the Author

A big part of my existence involves daydreaming, whether I'm supposed to be paying attention or not. I'm blessed to now call my attention-deficit-rudeness something else: Working! I live in rural Ohio with my family and critters. For fun I love to read, watch movies, and geek-out over documentaries. I also like to learn various antiquated yet awesome skills. In case of zombieapocalypse, I'll still have bread, lace, sugar, and sweets. Carbs 1, Zombies 0!
