**What's Wrong With The Prosperity Gospel?: (The False Hope of Health and Wealth Teaching) (The Mystery of Suffering Book 3)** By Raymond Creed

This work attempts to show how the Prosperity Gospel misrepresents Christianity in a large number of different ways. It emphasizes that Churches are to repudiate the false Gospel where it is present, so that the real Gospel can be clearly taught. In addition, it argues that real Christian prosperity is best assessed in terms of personal faithfulness and fruitfulness rather than by material gain or physical well-being. Highlighted is the Prosperity Gospel's cruelty in building up hopes that can never be realized. A summary at the of this works lists many of the objections that can be made against this highly deceptive and damaging teaching.
